

Single Feasible Source Purchase

Title: MiSeq System

Description: The Missouri Department of Health and Senior Services, State Public Health Laboratory desires to purchase a MiSeq System. A single feasible source contract with Illumina, Inc. is requested since they are the sole provider for the MiSeq instrument and core consumables. Through a grant from the Center for Disease Control, MSPHL is mandated to participate in the PulseNet program and follow PulseNet protocols. PulseNet has issued a Whole Genome Sequencing (WGS) protocol specifying use of the MiSeq instrument for molecular testing.

Contract Period: Date of Award through One Year
