

## **Single Feasible Source Purchase**

Title: Software License Maintenance/Support for Compuware Software

Description: The Missouri Information Technology Services Division – Department of Social Services requires ongoing software maintenance/support for Compuware software. The software and associated services are proprietary to and only available from Compuware Corporation. As a result, this represents a proprietary requirement that meets the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
