ADDENDUM NO. 1

TO: PLANS AND SPECIFICATIONS FOR STATE OF MISSOURI

Field Maintenance Shop Addition
Camp Clark Training Site
Nevada, Missouri
PROJECT NO.: T2023-01

Bid Opening Date: 1:30 PM, Tuesday, September 1, 2020 (Not Changed)

Revised Bid Form is attached. Bidders must use the bid form marked REVISED PER ADDENDUM #1 to bid this project.

Bidders are hereby informed that the construction plans and/or specifications are modified as follows:

SPECIFICATION CHANGES:

1. Section 004113 – BID FORM
   a. REPLACE with REVISED SECTION 004113 – BID FORM (attached)
      Bidders must use the attached revised bid form to bid this project.

2. Section 012300 – ALTERNATES
   a. REVISE Paragraphs 3.1-B and 3.1-C as follows:
      B. Alternate No. 2: Replacement of all interior and exterior non-LED lights fixed to the building with new LED lights as shown on bid documents. Refer to drawing sheets ED102, E102, and E103. Refer to specification Section 265100 – Interior Lighting and Section 265619 – Exterior Lighting.
      C. Alternate No. 3: Replacement and installation of new LED lights for the military vehicle compound (MVC) as shown within the bid documents. Refer to drawing sheets ES100 and ES101. Refer to specification Section 265619 – Exterior Lighting.

3. Section 033000 – CAST-IN-PLACE CONCRETE
   a. REVISE Paragraphs 2.13-A and 2.13-B as follows:
      A. Footings and Foundation Walls: Proportion normal-weight concrete mixture as follows:
         1. Minimum Compressive Strength: 3500 psi at 28 days.
         2. Maximum Water-Cementitious Materials Ratio: 0.50.
      B. Interior Slabs-on-Grade: Proportion normal-weight concrete mixture as follows:
         1. Minimum Compressive Strength: 4000 psi at 28 days.
b. ADD Paragraph 2.13-C as follows:

   C. Exterior Slabs-on-Grade: Proportion normal-weight concrete mixture as follows:
      1. Minimum Compressive Strength: 4500 psi at 28 days.
      3. Air-entrainment: 6% +/- 1%

4. Section 072726 – FLUID-APPLIED MEMBRANE AIR BARRIERS

   a. ADD Paragraph 2.3-A.1.e as follows:

      e. W.R. Meadows, Inc.; Air-Shield LSR

5. Section 235523.13 – LOW-INTENSITY, GAS-FIRED, RADIANT HEATERS

   a. REPLACE Paragraphs 2.2-A, 2.3-A, and 2.4-A as follows:

      A. Approved Manufacturers:
         1. Roberts Gordon
         2. Reznor
         3. Re-verb-eree
         4. Sterling
         5. Modine

   b. ADD Paragraph 2.5 as follows:

      2.5 GENERAL

         A. Heater shall have fuel efficient operation with fully automatic or manual control of
            burner modulation.
         B. Heater shall have efficient and optimum combustion throughout full range of
            burner inputs ensured by pre-programmed burner controls that adjust both fuel
            and air.
         C. Heater shall have system information and ease of service provided by
            comprehensive on-board diagnostics for fault and system status.
         D. Burner box shall have design with protective enclosure for controls to minimize
            exposure to dirt and moisture from combustion air.
         E. Heater tube and reflector shall be straight tube or U-tube as shown on the plans.
         F. Provide outside air intake and exhaust flue per equipment manufacturer
            requirements.
         G. Provide temperature sensor with conduit and control wiring as shown on the
            plans. Temperature sensor shall have digital readout with button control for
            adjusting temperature.
         H. Fuel shall be natural gas.
         I. Provide 120 volt power as indicated on the plans for controls and burner.
         J. Install tubing in 10 feet sections, 4" diam., 16 gauge. First 10 feet from burner
            shall be alumitherm steel tubing. The remaining sections shall be heat treated
            aluminized steel tubing.
K. Reflector and end caps shall be stainless steel.

L. Control system shall be modulating gas valve and hot surface electronic ignition control four-try, 1--% shut-off, prepurge, post-purge, auto-reset, tri-color LED status / fault indicator.

M. Heater shall be ANSI Z83.20/CSA 2.34 certified.

N. Warranty: Three-year warranty

6. **Section 265100 – INTERIOR LIGHTING**

   a. ADD Paragraph 2.1-B as follows:

   B. Approved Manufacturers / vendors of their submitted packages for substitution requests:

      1. Foley Group (Hubbell Brands)
      2. C&O Sales (Phillips Brands)
      3. Mercer Zimmerman (Eaton/Cooper Brands)
      4. Convergence (Cree Brands)
      5. Bell & McCoy (LSI Brands)

      Note: The A/E has approved these manufacturers, but this still requires the contractor/vendor to furnish all equals to product, including controls, voltage, color, mounting means, LED output, CRI/K, etc.

**DRAWING CHANGES:**

1. **Sheet G002:**

   a. DETAIL P15: REVISE Alternate #2 and Alternate #3 as follows:

   **ALTERNATE #2:** REPLACEMENT OF ALL INTERIOR AND EXTERIOR NON-LED LIGHTS FIXED TO THE BUILDING WITH NEW LED LIGHTS AS SHOWN ON BID DOCUMENTS. REFER TO DRAWING SHEETS ED102, E102, AND E103. REFER TO SPECIFICATION SECTION 265100 – INTERIOR LIGHTING AND SECTION 265619 – EXTERIOR LIGHTING.

   **ALTERNATE #3:** REPLACEMENT AND INSTALLATION OF NEW LED LIGHTS FOR THE MILITARY VEHICLE COMPOUND (MVC) AS SHOWN WITHIN THE BID DOCUMENTS. REFER TO DRAWING SHEETS ES100 AND ES101. REFER TO SPECIFICATION SECTION 265619 – EXTERIOR LIGHTING.

2. **Sheet M500:**

   a. ADD the following General Note to the Sheet:

   **GENERAL NOTES:**

   1. The intent of the controls for the heating/ventilation system of the FMS expansion is NOT to have a building automation system. The controls are simple enough to have stand-alone controls/devices or hard-wired interocks and relays for all systems.
without the need of any front end software, I/O interfaces, and controllers.

a. The infrared heaters shall have wall low voltage thermostats for each heater, furnished with the heater. The electric unit heater shall be furnished with a remote low voltage heating only thermostat with digital display and control transformer furnished with unit heater.

b. The gas detection system as shown on M500 shall have hard-wired interlocks with exhaust fan/HV-1 unit for auto control in conjunction with a wall mounted override pilot switch for manual on/off operation by staff bypassing gas detection system. We are showing Macurco wiring diagram, equal by Honeywell analytics, DSP Monoxivent, or approval.

c. The make-up air unit is showing all required accessories, devices, controls that are required to be furnished with the unit and/or shipped loose and field installed. It is the intent of the unit vendor to furnish a controller either onboard or in a cabinet within the space for a complete operating and standalone control system.

d. The HVLV fans shall be furnished with wall fan speed controllers by fan manufacturer as complete package. Wire per equipment manufacturer requirements.

e. The vehicle exhaust fan shall have a remote pilot light push button switch or have this switch furnished as accessory to front starter enclosure (hand/off/auto with green/red lights)

3. Sheet M700:

   a. REPLACE Indoor Radiant Heaters – Natural Gas schedule with the schedule below:

   **INDOOR RADIANT TUBE HEATER SCHEDULE**

<table>
<thead>
<tr>
<th>MARK</th>
<th>MFG.</th>
<th>MODEL #</th>
<th>TYPE</th>

</tbody>
</table>

   **ABBREVIATIONS:**
   - MB = Mounting Bracket
   - DM = Disconnecting Means
   - S = Stainless Reflectors and Brackets
   - CA = Combustion Air Kit
   - M = Multi-stage, Heating Only Thermostats Furnished Complete With Unit (Refer to plans for exact quantity (multiple units may be controlled from a single thermostat).
   - RV1 = Model RTVP-6, 6' Roof Top Common Vent Package
   - RV2 = Model RTVP-4, 4' Roof Top Common Vent Package
   - WC = Model WMA-6, 4" Combustion Air Intake x Sidewall Cap
   - EP = Provide with elbow fittings as required to achieve layout shown on plan.

   **NOTES:**
   - Refer to plans, details, and specifications for all equip., components, accessories, supports, etc., for complete system.
   - Equal or per specifications.

4. Sheet ES101:

   a. REVISE Detail 1 per attached Drawing ED-1.
b. ADD the following Note to SHEET KEYNOTES:

8. CONNECT NEW LIGHT POLE TO EXISTING LIGHTING CIRCUIT REMAINING FOLLOWING DEMOLITION. REFER TO DETAIL 3/E602 FOR FOUNDATION REQUIREMENTS. EXTEND NEW WIRING AND CONDUIT. FIELD VERIFY EXISTING ROUTING.

5. Sheet E101:
   a. DETAIL 1: DELETE the pole light shown. It shall be omitted from this sheet since it is now shown on Sheet ES101.

6. Sheet E501:
   a. ADD the following Note to NEW WORK NOTES:

       6. DISCONNECT AND REMOVE EXISTING FEEDER FOR EXISTING PANELBOARD. CONDUIT SHALL REMAIN TO BE REUSED. PROVIDE NEW WIRE AND CONNECT FEEDER TO DISTRIBUTION PANEL “MDP-S”. EXACT CONNECTION TO EXISTING ATS DISTRIBUTION IS UNKNOWN. FIELD VERIFY EXACT ROUTING AND CONNECTION OF EXISTING DISTRIBUTION.

b. CLARIFICATION: The feeder removed is spliced in ATS cabinet before being ran to building 144. New feeder shall be from MDP as shown on schedule.

c. REVISE Detail 1 per attached Drawing ED-2. There is no air compressor circuit in building fed from old FMS distribution panel.

b. Sheet E701:
   a. REVISE circuit schedule for Panel "MDP-S" per attached Drawing ED-3.

GENERAL COMMENTS:

1. The Pre-Bid Meeting was held August 19, 2020 at 2:00pm followed by a walk-through of the facility. The Pre-Bid Meeting sign-in sheet is attached.

2. Bidders needing additional site inspection should contact Bill Edwards at 573-578-2612 to schedule a time.

3. Please contact Paul Girouard, Contract Specialist, at 573-751-4794 or paul.girouard@oa.mo.gov AND Mandy Roberson at 573-522-0074 or mandy.roberson@oa.mo.gov for questions about bidding procedures and MBE/WBE/SDVE goals and submittal requirements.

4. All bids shall be submitted on the bid forms without additional terms and conditions, modifications, or stipulations. Each space on the bid forms shall be properly filled including a bid amount for each alternate. Failure to do so will result in rejection of the bid.

5. MBE/WBE/SDVE participation requirements can be found in DIVISION 00. The MBE/WBE/SDVE participation goals are 10%/10%/3%, respectively. All MBE, WBE, and MBE/WBE contractors, subcontractors, and suppliers must be certified by the State of Missouri, Office of Equal Opportunity. No other certifications from other Missouri certifying agencies will be accepted. If a bidder is unable to meet a participation goal, a Good Faith Effort Determination Form must be completed.
Failure to complete this process will result in rejection of the bid.

6. The deadline for technical questions was August 24, 2020 at noon.
7. Changes to, or clarification of, the bid documents are only made as issued in the addenda.
8. All correspondence with respect to this project must include the State of Missouri project number as indicated above.

August 25, 2020

END ADDENDUM NO. 1
NOTE: ALL PAGES OF THIS BID FORM (004113) MUST BE COMPLETED AND SUBMITTED OR THE BID MAY BE REJECTED FOR BEING NON-RESPONSIVE.

STATE OF MISSOURI

SECTION 004113 - BID FORM

REVISED PER ADDENDUM #1

1.0 BID:
A. From: ________________________________
   (Bidder’s Name)
   herein after called the "Bidder".
B. To: Director, Division of Facilities Management, Design and Construction
   Room 730, Harry S Truman State Office Building
   301 West High Street
   Jefferson City, Missouri 65102
   herein after called the "Owner."
C. For: Field Maintenance Shop Addition
   Camp Clark Training Site
   Nevada, Missouri
D. Project Number: T2023-01
   hereinafter called the "Work."
E. Documents: The undersigned, having examined and being familiar with the local conditions affecting the work and with the complete set of contract documents, including the Drawings, the Invitation For Bid, Instructions To Bidders, Statement of Bidders Qualifications, General Conditions, Supplement to General Conditions, and the technical specifications, including: addenda number ______ through ______ hereby proposes to perform the Work for the following:
F. Bid Amount: ____________________________________________________________
   ________________________________ Dollars ($____________________________)
G. Allowances: See Section 012100 for details.
H. Alternates:
   Alternate No. 1: Roof mounted solar array including associated conduits and electrical panels as shown on bid documents. Refer to Drawing Sheets A101, A200, A201, A202, A203, S102, and E202. Refer to Specification Section 253100 Photovoltaic Collectors.
   ____________________________________________________________
   ________________________________ Dollars ($____________________________)
   Alternate No. 2: Replacement of all interior and exterior non-LED lights fixed to the building with new LED lights as shown on bid documents. Refer to drawing sheets ED102, E102, and E103. Refer to specification Section 265100 – Interior Lighting and Section 265619 – Exterior Lighting.
   ____________________________________________________________
   ________________________________ Dollars ($____________________________)
Alternate No. 3: Replacement and installation of new LED lights for the military vehicle compound (MVC) as shown within the bid documents. Refer to drawing sheets ES100 and ES101. Refer to specification Section 265619 – Exterior Lighting.

$______________________________ Dollars ($______________________________)

2.0 MBE/WBE/SDVE PERCENTAGE OF PARTICIPATION PROJECT GOALS:

A. This project’s specific goals are: MBE 10.00%, WBE 10.00%, and SDVE 3.00%. NOTE: Only MBE/WBE firms certified by the State of Missouri Office of Equal Opportunity, and SDVE(s) meeting the requirements of Section 34.074, RSMo, and 1 CSR 30-5.010, as of the date of bid opening, can be used to satisfy the MBE/WBE/SDVE participation goals for this project.

3.0 BID BOND

A. Accompanying the bid is: ___ 5% Bid Bond or ___ Cashier's Check/Bank Draft for 5% of base bid that is payable without condition to the Division of Facilities Management, Design and Construction, State of Missouri, as per Article 5 of "Instructions To Bidders".

4.0 CONTRACT COMPLETION TIME AND LIQUIDATED DAMAGES

A. The Bidder agrees to complete the work within 200 working days from the date the Notice of Intent to Award is issued as modified by additional days added by the Owner’s acceptance of alternates, if applicable. This includes ten (10) working days for document mailing and processing. The Bidder further agrees to pay to, or allow the State as liquidated damages the sum of $1,000 for each working day thereafter that the entire work is not substantially complete.

5.0 ATTACHMENTS TO BID:

A. 004336 Proposed Subcontractors
   004337 MBE/WBE/SDVE Compliance Form
   004338 MBE/WBE/SDVE Joint Venture Form
   004339 MBE/WBE/SDVE Waiver Form
   004340 SDVE Business Form
   004541 Affidavit of Work Authorization

6.0 BIDDER’S CERTIFICATIONS:

A. The Bidder agrees to pay not less than the hourly rate of wages as determined by the Department of Labor and Industrial Relations, State of Missouri, in accordance with Sections 290.210 to 290.340, RSMo.

B. The Bidder hereby certifies that this bid is genuine and is not made in the interest of or on behalf of any undisclosed person, firm, or corporation, and is not submitted in conformity with any agreement or rules of any group, association or corporation;
   That he/she has not directly or indirectly induced or solicited any other bidder to put in a false or sham proposal;
   That he/she has not solicited or induced any person, firm or corporation to refrain from submitting a bid;
   That he/she has not sought by collusion or otherwise to obtain for him/herself any advantage over any other bidder or over the Owner.
   That he/she will not discriminate against any employee or applicant for employment because of race, creed, color or national origin in the performance of the work.
   That he/she certifies that he/she has based this proposal upon an official /complete set of contract documents, either obtained from the Owner after Bidder placed himself/herself on the bidders’ list or from a secondary source known to
NOTE: ALL PAGES OF THIS BID FORM (004113) MUST BE COMPLETED AND SUBMITTED OR THE BID MAY BE REJECTED FOR BEING NON-RESPONSIVE.

the Bidder to have provided a complete and accurate set of contract documents, provided that if Bidder received the contract documents from such a secondary source, any errors or omissions in the contract documents shall be interpreted and construed in favor of the Owner and against the Bidder. This proposal is also based upon the conditions within Article 1.2 of the General Conditions.

That he/she certifies that he/she will comply with the provisions of Sections 285.230-234, RSMo, regarding transient employers.

That he/she has enrolled and is and will continue to participate in a federal work authorization program in accordance with Sections 285.525 and 285.530, RSMo for the duration of this contract.

7.0 CONTACT INFORMATION (mandatory for all bidders):

☐ Sole Proprietorship/General Partnership ☐ LLC ☐ Limited Partnership ☐ Corporation ☐ Joint Venture

Business Name: ___________________________________________________________________

Address: ________________________________________________________________________

________________________________________________________________________________

Telephone: ______________________ Fax Number: ________________________

Federal ID Number: ___________________ or Social Security Number: ___________________

Missouri Business Charter Number: ____________ (or provide the proper certificate from the Secretary of State)

Contact Name: __________________________ Contact email: ___________________________

8.0 SIGNATURES:

FOR SOLE PROPRIETORSHIPS/GENERAL PARTNERSHIPS ONLY:

________________________________ Name each general partner: _______________________

Sole Proprietor’s Name (printed)

____________________________________________________________________________________

Today’s Date: ________________

____________________________________________________________________________________

I, ______________________, being the sole proprietor/general partner of (name of business)

_________________________________ (and if the name of said business is other than my legal name, having filed a Registration of Fictitious Name with the Missouri Secretary of State in order to allow me to use such name in connection with my business, as provided by Section 417.200, RSMo, et seq.), do hereby submit this bid and agree to be bound unto the State of Missouri as herein provided (if a general partnership, all partners must sign below).

Signature: ______________________________ Signature: ______________________________

Signature: ______________________________ Signature: ______________________________
FOR LIMITED LIABILITY COMPANIES ONLY:

Manager’s (or Managing Member’s) Name (printed)
I, ____________________________, being the Manager (or Managing Member) of (full legal name of limited liability company from Articles of Organization) ____________________________________, and being duly authorized to act as herein provided on behalf of said limited liability company, do hereby submit this bid on behalf of said limited liability company and agree that said limited liability company shall be bound unto the State of Missouri as herein provided.

Signature: ___________________________________________________________________

FOR LIMITED PARTNERSHIPS/LIMITED LIABILITY PARTNERSHIPS/LIMITED LIABILITY LIMITED PARTNERSHIPS ONLY:

General/Managing Partner’s Name (printed)
I, _____________________________, being the General Partner/Managing Partner of (full legal name of limited partnership/limited liability partnership/limited liability limited partnership from partnership agreement or Certificate of Limited Partnership) ______________________________, and being duly authorized to act as herein provided on behalf of said limited partnership/limited liability partnership/limited liability limited partnership, do hereby submit this bid on behalf of said limited partnership/limited liability partnership/limited liability limited partnership and agree that said limited partnership/limited liability partnership/limited liability limited partnership shall be bound unto the State of Missouri as herein provided.

Signature: ___________________________________________________________________

FOR CORPORATIONS ONLY:

President’s Name (printed) Secretary’s Name (printed) Today’s date

State(s) of incorporation: ____________________________________________

I, ____________________________, being the (officer or title) ________________________ of (full legal name of corporation, from Articles of Incorporation) ________________________________, and being duly authorized by the Board of Directors of said corporation to act as herein provided on behalf of said corporation, do hereby submit this bid on behalf of said corporation and agree that said corporation shall be bound unto the State of Missouri as herein provided.

Signature: ___________________________________________________________________

Attested by: ________________________________
________________________________________
President Corporate Secretary

The President should sign as the bidder. If the signator is other than the corporate president, the bidder must provide satisfactory evidence that the signator has the legal authority to bind the corporation.
FOR ASSOCIATIONS/JOINT VENTURES: If multiple business entities/individuals are bidding collectively as an association or joint venture, each business entity/individual bidding as part of the association or joint venture shall sign this bid in the above sections relevant to the form that such business entity or individual does business, and the bidder shall duplicate the necessary number of signature pages so that all members of the association or joint venture shall sign this bid. If a name is adopted for use by the association or joint venture, the association or joint venture shall file a Registration of Fictitious Name with the Missouri Secretary of State in order to use such name in connection with the association or joint venture, as provided by Section 417.200, RSMo, et seq.
8. CONNECT NEW LIGHT POLE TO EXISTING LIGHTING CIRCUIT REMAINING FOLLOWING DEMOLITION. REFER TO DETAIL 3/E602 FOR FOUNDATION REQUIREMENTS. EXTEND NEW WIRING AND CONDUIT. FIELD VERIFY EXISTING ROUTING.
FIRE ALARM RISER DIAGRAM

NEW WORK NOTES:

1. Coordinate all demolition work of existing street mounted down and proceed from existing transformer. Rebuild new work and coordinate for extended downtime period.
2. Provide feeder to new solar panel disconnect and inverter.
3. Provide (2) and (1) ground in 12" conduit.
4. Remove existing wiring jumpers in existing distribution panel.
5. Disconnect and remove existing feeder for existing panel(s). Conduct final turn-in to be reviewed. Provide new feed and connect feeder to new distribution panel. "HOT" system connection to existing panel(s) is unknown. Field verify exact routing and connection of existing switchboard.

GENERAL NOTES:

A. Electrical contractor shall complete electrical service modifications before work on building begins.
B. Confirm exact routing outdoors from existing transformer to new distribution panel.
C. Visit the site and coordinate service requests. Utility provider: All fees and charges and shutdown periods to be included if incurred by utility company.
