Westminster Reclamation Project

Notes:

1. Missouri One Call System (DIG_RITE)
   1-800-344-7483.

2. Verifications of the locations of above ground and below ground utilities, shown or not shown, shall be the responsibility of the construction contractor.

3. Property lines are approximate.

4. All areas of incidental coal waste shall be treated with an application and incorporation of Ag Lime, as directed by the Resident Project Representative, and buried a minimum of six (6) feet below final grade.

5. Remove all trash and debris within the project limits, whether shown on drawings or not, and dispose of off-site in permitted, licensed landfill.

6. All roadside ditches disturbed by construction activities shall be reestablished by Contractor. Unless otherwise indicated on plans, outlet all ditches as field conditions warrant and as approved by the Resident Project Representative.

7. All existing fences disturbed by construction activities are to be reestablished to as good or better condition unless otherwise shown on the project plans.

8. Contractor shall be responsible for referencing existing fence locations and corner posts within the project areas prior to removal.

Profile through Emergency Spillway

Note: Install 3"x3" x 1" HDPE Anti-Seep Collars on 12" primary spillway pipe and backfill as per manufacture's recommendations. Collar shall be located near centerline of dam with a minimum of 2 feet of cover over collar.

Compaction Notes:
All Compacted Earth Fill placed for construction of Dam shall be placed in loose lifts not exceeding 8" and compacted with a Sheeps-Foot Roller until roller feet penetrate no more than 3" into underlying material. All Earth Fill materials used for construction of the Dam shall be free from roots, sticks, and other organic materials and shall consist primarily of soils. Areas exhibiting weak or unstable materials (i.e. pumping), or contain large amounts of gravel, rock, or other materials deemed deleterious by the owners representative, shall be removed and replaced at no additional cost to the owner.
