

# Cooperative Buyline

Official Newsletter for the State of Missouri's Cooperative Procurement Program

## Is Your Entity's Membership Current??

### RUUP2 DATE?

**ATTENTION Cooperative Procurement Program Members!** The State of Missouri needs your help to make sure your entity (whether a long-term or brand new member) has submitted a new online membership application. To verify if your entity membership is up to date, go to the membership listing at <https://oa.mo.gov/sites/default/files/coopmemlist.pdf>. If your entity's name is shown in yellow highlight, you are good to go!! If your entity's name is not highlighted or not there, then we need you to take a few minutes to complete the online membership application at <https://oa.mo.gov/purchasing/procurement-program-membership-application> by following the instructions in the article below.

**Why Re-Register?** Our membership listing has not been updated for literally decades and we don't have any, or at least current, email addresses for many of our member entities. We have lots of information to share and want to open the dialog with our members for input on future statewide contract planning. We also want to be able to send our members updates on new or existing statewide contracts, 'Cooperative Buyline' newsletters, and share helpful contract information during Governor-declared emergencies. So with the re-registration of our membership, we are building a communication channel to help our members get maximum value from their State of Missouri Cooperative Procurement Program membership!

## Cooperative Procurement Program Membership Application

Submitting an online application is quick and easy—go to <https://oa.mo.gov/purchasing/procurement-program-membership-application> and click on the big Membership Application button.

If you are registering for the first time using the online membership application, click on 'New

Application Type \*

New Application  Update Information

Application' for the 'Application Type' even if you are a long-standing member. After selecting Application Type, there are four sections to complete—Entity Information, Entity Contact Person's Information, Government Entity Type, and Agree to Terms. When selecting the

Government Entity Type, if you are a Political Subdivision or a Quasi-Public Governmental Body, you will be required to attach proof of the legal basis by which your governmental entity was formed (statute, ordinance, etc.). A 501(c)3 or Certificate of Good Standing is not the appropriate 'proof' needed for membership in the program.

## Searching For Statewide Contracts

To search for statewide contracts available for use by Cooperative Procurement Members, go to Purchasing's website at <https://oa.mo.gov/purchasing/cooperative-procurement-program> and click on the Statewide Contract Search button. Scroll down to No. 5 (i.e. List MBE/WBE/Coop Contracts), select the 'Coop' radio button, and click on the Submit button.

Purchasing's statewide contracts available for use by cooperative procurement program members will populate. You will be able to download the notification of statewide contract which includes important details, specifications, and pricing by clicking on a contract number.

You can also search for a particular statewide contract by entering the contract number (if known), searching by keyword, description, contractor, or by contract type.

Statewide contracts can also be found on the MissouriBUYS Contract Board at <https://missouribuys.mo.gov/contractboard>. You can enter a keyword, select 'Active', 'Co-Op Contracts', and 'State of MO' in the filters on the right to see statewide contracts issued by Purchasing. The word 'statewide' can be entered as a keyword to search.

You can also go directly to the 'Statewide Contract Search' by going to <https://archive.oa.mo.gov/purch/contracts/>.

## Statewide Contract Team Member Spotlight

Tammy Michel

Hello Everyone! Let me introduce myself. I'm Tammy Michel, a Buyer with the Statewide Team in Division of Purchasing. I began my work career with the State of Missouri in March of 1980 working for the Division of General Services in the Office of Administration. In March of 1982 I was hired as a Clerk Typist I for Purchasing. I worked my way up from a Clerk Typist I to a Buyer for the Commodities unit, now known as the Statewide Team.

As a buyer, I have had the opportunity to purchase food for the Department of Corrections; vehicles, ammunition, and other law enforcement products for the Missouri State Highway Patrol; and mailroom equipment and supplies, paper, lab equipment and pharmaceuticals for various state agencies. As a member of the Statewide Contract Team, my responsibilities as a buyer are to establish and maintain contracts for law enforcement gear, safety and equipment; pharmaceuticals; laboratory equipment; medical equipment; conference services; and trash collections services.

Please contact me with questions (tammy.michel@oa.mo.gov), and I will be happy to help you! *Tammy Michel*
