Missouri PPE Manufacturing Directory

A **MO PPE Manufacturing Directory** was recently launched! The directory is color code driven and can be used to quickly get contact information for PPE suppliers in Missouri. PPE categories can be selected to narrow searches for needed products.

The example below shows results when search filters were used to conduct a search for Surgical Masks. The directory is located at <https://showmestrong.mo.gov/mo-ppe-manufacturing-directory/>.

See Page 2 for a more detailed view of the PPE Manufacturing Directory map.

Purchasing Team Member Spotlight

Glenda Vanderfeltz

Hello Coop Members! I am Glenda Vanderfeltz. I am a Senior Program Specialist, which is a fancy title for someone that does other than buying for the Division of Purchasing. I manage and work with the Cooperative Procurement Program, the Missouri Service Disabled Veteran Enterprise certifications, E-Verify, all things MissouriBUYS related, network liaison to our ITSD office, web page maintenance, and anything else that comes up that needs to be worked on or managed.

I have worked for the Division of Purchasing in various positions for 30 years and the State of Missouri for 40 years. I will be retiring at the end of 2020. However, I am not a stay-at-home kind of person, so I will be working part time for the Division of Purchasing. I will still be around to answer questions about the above-mentioned programs and to help Purchasing where needed.

My hope and prayer is that we all come through this pandemic and that 2021 will hold better things for all of us. If anyone has any questions about these programs, or anything purchasing-related, please do not hesitate to contact our office at purchmail@oa.mo.gov or 573-751-2387. Stay safe everyone! *Glenda Vanderfeltz*
