PROGRAM DESCRIPTION

Department of Commerce and Insurance

State Board of Pharmacy

Program is found in the following core budget(s): Missouri Board of Pharmacy

1a. What strategic priority does this program address?

- Strengthen our regulatory relationships while ensuring a level playing field to protect and advocate for the general public
- Develop our team, reward great performance, and retain top talent
- Innovate to make it easier to connect and work with us

1b. What does this program do?

The Board has superintending control over the practice of pharmacy in Missouri and its primary duties consist of:

- Examining and licensing pharmacist applicants.
- Ensuring compliance with Chapter 338, RSMo, and the rules of the board.
- Investigating complaints involving unlicensed activity or against any licensee or registrant. Investigations may be based on public complaints, information from other state and/or federal agencies, or violations discovered by the board.
- Inspection of pharmacies and drug distributors.
- Licensing/registering pharmacy technicians, intern pharmacists, pharmacies and drug distributors.
- Biennially renewing the licenses of qualified pharmacists, pharmacy interns, pharmacies, third-party logistics providers, drug outsourcers and drug distributors.
- Disciplining licensees which may include, public censure, probation, suspension or revocation of a licensee/registrant.
- Maintaining the Technician Employment Disqualification List for pharmacy technicians found to be in violation of Chapter 338, RSMo.
- Approval of preceptors and intern training facilities.
- Overseeing the Rx Cares medication safety grant program and statewide medication destruction program.
