1b. What does this program do?

- The purpose of the Downtown Revitalization Preservation Program (DRPP) is to facilitate job creation and community revitalization by providing essential public infrastructure. The program converts underutilized properties and places them back in active production by generating new sales and by creating new jobs.
- The program limits these activities to municipalities with a population of 200,000 inhabitants or less, and median household income of \$62,000 or less.
- DRPP involves the issuance of local bonds or other obligations, which are secured by a pledge of a statutory portion of: (1) economic activity taxes (i.e. local sales tax) and (2) payments in lieu of taxes (i.e. property tax) attributable to the increase in taxable activity inside the redevelopment area, resulting from redevelopment improvements.
- DRPP redirects up to 50% of the general revenue sales taxes generated as a result of planned redevelopment activities within a prescribed area for up to 25 years.
- The state taxes are paid and then diverted back to the applicant as a function of the annual appropriation process.
