1a. What strategic priority does this program address?

Early Learning & Early Literacy

1b. What does this program do?

The Children's Division Child Care program received funding through the Coronavirus Aid, Relief, and Economic Security (CARES) Act to prevent, prepare for, and respond to the Coronavirus disease (COVID-19), and expanded flexibility to provide child care assistance to families and children. With the expanded flexibility, temporary changes to the Child Care subsidy program makes it possible for additional low-income families to qualify for child care assistance. The CARES Act Child Care Plan also provides special assistance to child care providers who continue to support the needs of working families during COVID-19.

The Child Care CARES Act plan provides assistance to low-income families and child care providers to mitigate the effects of the pandemic. The Child Care plan includes:

- Temporary child care subsidy benefit (up to 90 days) for families who became unemployed due to COVID-19. Families must be actively looking for work to receive the benefit. Benefit is available through December 2020.
- Temporary transitional child care subsidy benefit available to families with income between 138 to 215 percent of the FPL, not matter if they previously did not qualify for a child care subsidy.
- Increased transitional child care subsidy benefit to 80 percent subsidy benefit for families with income between 138 to 176 percent of the federal poverty limit (FPL) or 60% percent subsidy benefit for income between 177 to 215 percent of the FPL. Benefit available May 1 through August 31.
- One-time payment to child care providers remaining open to provide child care services to essential personnel. Payment is based on the capacity of the child care provider.
- Monthly stipend of \$100 per child care slot to licensed or licensed-exempt child care providers operating non-traditional hours (7 a.m. to 6 p.m.) seven days a week. The stipend is available for the months of April, May, and June.
- Payments to child care subsidy providers based on authorized care instead of actual attendance. The authorized payments are available for the service months of April, May, and June.
- One-time grants to higher education institutions to establish on-campus child care programs that include slots for child care subsidy families.
