

PROGRAM DESCRIPTION

Department of Elementary & Secondary Education

HB Section(s): 2.160

Comprehensive School Health (YRBSS Administrative)

Program is found in the following core budget(s): Homeless and Comprehensive School Health

1a. What strategic priority does this program address?

Safe & Healthy Schools

1b. What does this program do?

This cooperative agreement supports efforts to conduct school-based surveillance on youth risk behaviors and school health policies and practices. The Youth Risk Behavior Surveillance System (YRBSS) monitors priority health-risk behaviors among youth and young adults. The School Health Profiles (SHP) monitors and assesses education, policies, activities, and family involvement in school health programs.

The cooperative agreement with the Centers for Disease Control and Prevention (CDC) provides for the national school-based survey administration of the YRBSS in odd years and the SHP in even years. State specific reports are produced and disseminated to assist community prevention efforts and coordinated school health programs when weighted data is collected.

Internal and external partners use YRBSS and SHP data to:

- * Describe school health policies and practices and compare them across jurisdictions
- * Identify professional development needs
- * Plan and monitor programs
- * Support health-related policies and legislation
- * Seek funding
- * Garner support for future surveys

PROGRAM DESCRIPTION

Department of Elementary & Secondary Education

HB Section(s): 2.160

Comprehensive School Health (YRBSS Administrative)

Program is found in the following core budget(s): **Homeless and Comprehensive School Health**

2a. Provide an activity measure(s) for the program.

Data obtained from School/Principal and Health Teacher School Health Profile surveys.

Note: For 2021, the number of schools that completed the YRBS for Missouri was substantially less than in previous years due to the COVID-19 pandemic. Due to COVID-19 and the majority of states experiencing lower than normal response rates, CDC will be using a nonresponse bias analysis for 2021 YRBS data to assist states in obtaining the YRBSS data.

2b. Provide a measure(s) of the program's quality.

District Accreditation Data									
Classification Type	2019		2021		2022		2023	2024	2025
	Actual	Goal	Actual	Goal	Actual	Goal	Goal	Goal	Goal
Total Districts	517	517	517	517	517	517	517	517	517
Accredited	512	508	512	510	512	512	513	514	515
Provisionally Accredited	5	9	5	7	5	5	4	3	2
Unaccredited	0	0	0	0	0	0	0	0	0
Percentage of Accredited Districts	99.03%	98.26%	99.03%	98.65%	99.03%	99.03%	99.23%	99.42%	99.61%

Data obtained from the Department's Missouri Comprehensive Data System.

PROGRAM DESCRIPTION

Department of Elementary & Secondary Education _____

HB Section(s): 2.160

Comprehensive School Health (YRBSS Administrative) _____

Program is found in the following core budget(s): **Homeless and Comprehensive School Health**

2c. Provide a measure(s) of the program's impact.

The following measures reflect how health education may have impacted HIV, STD and pregnancy prevention topics and cigarette smoking over time.

Note: The School Health Profiles (SHP) is only administered every two years.

Note: The Youth Risk Behavior Surveillance System (YRBSS) is only conducted every two years; the survey was administered in the Spring of 2019.

Data obtained from School/Principal and Health Teacher School Health Profile surveys.

Note: For 2021, the number of schools that completed the YRBS for Missouri was substantially less than in previous years due to the COVID-19 pandemic. Due to COVID-19 and the majority of states experiencing lower than normal response rates, CDC will be using a nonresponse bias analysis for 2021 YRBS data to assist states in obtaining the YRBSS data.

2d. Provide a measure(s) of the program's efficiency.

The Center for Disease Control has a set return rate of 60% to obtain "weighted data". This data can then be used as a representative sample of Missouri's students. Missouri's goal is to obtain "weighted data" for every administration of the YRBSS and SHP.

Weighted Data Obtained		
Year	YRBSS	SHP
2020		Yes
2019	Yes	
2018		Yes
2017	Yes	
2016		Yes
2015	Yes	

Note: The YRBSS and the SHP are both administered every two years.

Data obtained from School/Principal and Health Teacher School Health Profile surveys.

Note: For 2021, the number of schools that completed the YRBS for Missouri was substantially less than in previous years due to the COVID-19 pandemic. Due to COVID-19 and the majority of states experiencing lower than normal response rates, CDC will be using a nonresponse bias analysis for 2021 YRBS data to assist states in obtaining the YRBSS data.

Comprehensive School Health (YRBSS Administrative) _____

Program is found in the following core budget(s): Homeless and Comprehensive School Health

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)

4. What are the sources of the "Other " funds?

N/A

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

Public Health Service Act, Section 301(a) and 311(b) (c), as amended (CFDA # 93.938).

6. Are there federal matching requirements? If yes, please explain.

No

7. Is this a federally mandated program? If yes, please explain.

No
