1a. What strategic priority does this program address?

Success-Ready Students & Workplace Development

1b. What does this program do?

The purpose of afterschool programs is to create or expand centers during non-school hours. This funding provides students with tutorial services and academic enrichment activities designed to help students meet local and state academic standards in subjects such as reading and math.

In addition, quality afterschool programs provide youth development activities, drug and violence prevention programs, technology education programs, art, music, and recreation programs in a safe and secure environment. Regular student participation in afterschool programs can contribute to academic progress.

2a. Provide an activity measure(s) for the program.
