1a. What strategic priority does this program address?

Early Learning & Early Literacy

1b. What does this program do?

This program is intended to assist pre-kindergarten children most at-risk of failing to meet the State's challenging academic standards based on multiple, educationally related, objective criteria. Eligibility criteria include but are not limited to Missouri Parent Education data, developmentally appropriate assessment, teacher's objective checklist/academic indicators, parent checklist and other performance assessments. For preschool only, parent income can be used as one of the criteria.

Title I funds must be used for K-12 expenditures and may be used for preschool programs. The decision to use Title I funds for preschool programs is a local decision that is made by school boards and administrators. Funds used for preschool programs may support a district-wide program, a school-building program, or for coordination with other preschool programs, based on the needs of its eligible students.

2a. Provide an activity measure(s) for the program.

This chart shows the number of Title I Preschool programs in the state of Missouri.

Note: Charter schools that are Local Education Agencies (LEAs) are included in the count. FY22 was the first year where Title I funds for preschool programs have been appropriated separately from Title I K-12 programs.
