2b. Provide a measure(s) of the program's quality.

This data for FY 2022 is not available from the College Board. They stopped providing this data on a state level in 2022.

**Note:** This measure represents the trend in the number of AP exams taken with grades of three or higher in the context of the total number of exams taken. Although the trend in the percent of tests with a score of three or higher is projected to remain stable based on historical data, the numbers behind the trend are unpredictable. As a result, only the percentage is projected.
