Note: Completions Per FTE is a measure of the number of degree and certificate completers in a given year as a ratio of all student full-time equivalent enrollment, per 100 FTE. One-fourth of students completing a bachelor's degree every year at a four-year institution would result in a ratio of 25 (25 students per 100). Completers are weighted extra if they complete in selected STEM or health fields, or were Pell eligible, and some will have completed shorter-term certificates.
