1a. What strategic priority does this program address?

Affordability, Communication

1b. What does this program do?

This program pays Missouri's membership dues in the Midwestern Higher Education Compact (MHEC). The purpose of the compact is to provide greater higher education opportunities and services in the Midwestern region with the aim of furthering regional access to, research in, and choice of higher education for citizens residing in the states which are party to this compact. Membership allows Missouri to participate in the Midwest Student Exchange Program (MSEP), which allows residents to receive out-of-state instruction at no more than 150 percent of the in-state resident tuition rates at public institutions; private institutions offer a 10% reduction on their tuition rates. The membership offers joint purchasing agreements for obtaining property insurance, telecommunications products and services, and student health insurance. Additionally, MHEC conducts research that is valuable to the state, and convenes member states to collectively address pressing issues in higher education. Missouri also benefits from its membership through participation in the State Authorization Reciprocity Agreement for distance education administered through MHEC. According to MHEC's FY 2022 annual report, Missouri paid \$115,000 in membership fees in the 2021-2022 program year but realized \$12.4 million in annual savings for entities and citizens. This included savings in program and cooperative purchasing contracts.
