1a. What strategic priority does this program address?

Improve the health and safety of Missourians most in need.

1b. What does this program do?

The Bureau of Vital Records is the repository of vital records for the State of Missouri and provides citizens and federal, state, and local agencies the ability to register, amend, and obtain vital records and health and statistical information critical to identifying and qualifying health related issues and measuring progress toward quality improvement and public health goals. Activities include:

- Maintaining the central registry of births, deaths, reports of fetal deaths, reports of marriages and divorces, and the Putative Father Registry.
- Correcting or amending vital records as authorized by state law, to include court orders or as a result of adoption or legitimation.
- Issuing certified and non-certified copies of births, deaths, reports of fetal deaths, original pre-adoptive records, and statements relating to marriages and divorces.
- Conducting workshops and trainings, as well as querying of records and providing technical assistance to ensure the complete, accurate, and timely registration of vital records.
