1a. What strategic priority does this program address?

Advance supports for individuals seeking recovery from compulsive gambling disorders.

1b. What does this program do?

The Division of Behavioral Health (DBH) contracts with certified outpatient treatment agencies to provide treatment services that are designed to help individuals with a gambling disorder and their families reduce the negative impacts associated with this disorder. Prior to being admitted into a gambling disorder treatment program, an individual must be assessed and meet minimal admission criteria. Treatment services are individualized and based on clinical needs, with service utilization monitored by DBH. Services include individual and group counseling and family therapy. DBH partners with other stakeholders in the area of problem gambling to raise public awareness of the issue.
