

Single Feasible Source Purchase

Title: DNA Laboratory Reagents and Supplies

Description: The Missouri State Highway Patrol (MSHP) Crime Laboratory desires to acquire DNA Laboratory Reagents and Supplies for Life Technologies distributed Applied Biosystems instruments that are owned and validated by the MSHP Laboratory for Human Identification applications.

DNA Laboratory Reagents and Supplies is proprietary and only available from Life Technologies Corporation. According to RSMo 34.044, a single feasible source can be utilized when the product/service requirement is proprietary and only available from a single provider. As a result, this represents proprietary requirements that meet the criteria as a single feasible source under RSMo 34.044 and the State is pursuing this acquisition as a Single Feasible Source.
