The Department of Corrections is required to supply all offenders confined in a correctional facility with a sufficient quantity of wholesome food. The DOC provides three nutritionally-balanced daily meals to the offender population. The use of a centralized funding pool for food provides the department with several benefits by:

- allowing the department to accommodate for emergencies.
- allowing for the management of temporary changes in institutional population.
- accommodating regional and temporary fluctuations in prices.
- allowing for the operations of the regional cook-chill facilities.
- providing savings from quantity discounts on purchases.

The DOC supplies 20 correctional facilities, one community transition center, six community supervision centers, and two cook-chill production facilities.
