

PROGRAM DESCRIPTION

Department of Labor and Industrial Relations

HB Section(s): 7.800

Program Name: Administration

Program is found in the following core budget(s): Director & Staff

1a. What strategic priority does this program address?

Opportunity: Invest in our workforce for today and tomorrow.

1b. What does this program do?

- Provides centralized support functions to the six divisions of the Department including: Communications, Procurement, Financial Management, Human Resources, Legal Services, Legislative Affairs, and General Services in order to ensure smooth day-to-day operations of the Department.
- Ensures compliance with State and Federal laws for expenditure requirements, documentation and reporting, security of data and records, and program management to promote good stewardship of taxpayer funds and accountability for the services delivered by the department.

2a. Provide an activity measure(s) for the program.

	FY 2018		FY 2019		FY 2020		FY 2021	FY 2022	FY 2023
	Projected	Actual	Projected	Actual	Projected	Actual ³	Projected	Projected	Projected
Hours of Training Completed by Employees ¹		8,767	8,986	7,185	10,976	6,728	14,056	18,136	19,000
FTE Staff Trained		708	708	665	725	573	573	573	580
Training Sessions Conducted ¹		4,610	4,610	1,166	4,610	1,151	4,610	4,610	4,700
Number of Unduplicated Vendors Paid ²		11,289	11,500	6,232	7,500	5,888	7,500	7,500	6,500

¹ All types of training are counted (on-line, classroom, external, and specialized). Opportunities for training were limited between December 2018 and April 2019, between when LinkedIn Learning went live and the previous on-line training system expired in November 2018. This accounts for the lower than normal number trained in FY 2019. FY2020 actuals were lower than anticipated due to the lack of in-person trainings available due to the COVID-19 pandemic.

² Includes payments to individuals who participate in DOLIR programs (Second Injury Fund Payments, Tort Victims Compensation, Line of Duty Payments, etc.) as well as expense and equipment. This does not include unemployment insurance compensation payments. The number of payments fluctuates each year because of the variation in the number of claimants paid for Second Injury, Tort Victims, and Line of Duty Compensation.

³ Training hours were affected by a coronavirus outbreak. Some staff did not access LinkedIn, and no Classroom training offered during the timeframe of March 30th – July 1, 2020.

2b. Provide a measure(s) of the program's quality.

2d. Provide a measure(s) of the program's efficiency.

Department Administrative Expenditures as a Portion of Total Department Expenditures^{6, 7}

Department Administrative Hours as a Portion of Total Department Hours Worked⁷

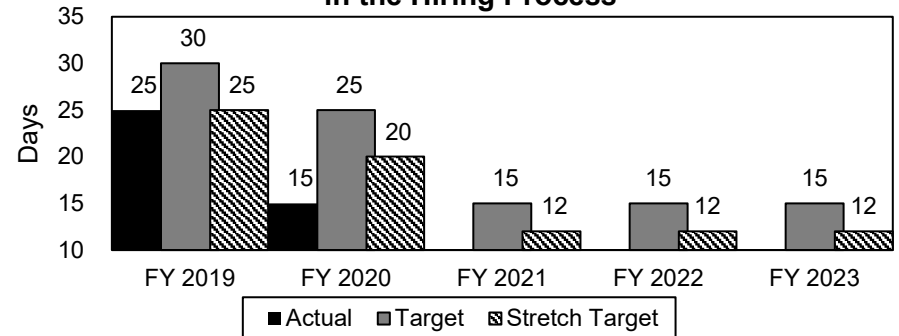

⁶ As program costs and FTE decrease and administrative costs and FTE stay relatively the same, the percentages will increase. The stretch target is the minimum necessary for continued Department operations. The Department continues to work on improving Administrative efficiency.

⁷ Several factors impacted the percentage of Administrative hours to Total Department Hours. There have been more Department-wide projects to improve Department operations. Also, staff levels in the Division of Employment Security were dropping in response to the low levels of unemployment until the onset of COVID-19, resulting in fewer staff overall.

Average Payment Processing Time⁸

Time to Complete HR Responsibilities in the Hiring Process⁹

⁸ Minimum processing time is 7.00 days. Processing time decreased in FY 2019 because the unit was fully staffed. FY 2020 processing time decreased as employees had fewer documents to process. Travel was restricted and there were fewer purchases.

⁹ The measure is defined to include only functions Human Resources can control; these functions include recruitment, eligibility review, background checks, and notification of approval. The stretch target is the minimum number of days required.
