There was a decrease in license issuance in FY'20 and FY'21 due to restrictions imposed because of Covid-19. With a majority if not all restrictions lifted at this time, we have seen license issuance bounce back to the level of issuance

ATC's excise tax process involves 100% reconciliation between suppliers and wholesalers, which attributes to assurances that ATC is collecting all the excise taxes due to the state of Missouri on intoxicating liquor products. The online excise tax system allows licensees to enter the data, either manually or electronically, and the system generates the reconciliations. ATC will follow up on any discrepancies that weren't reconciled during the match up process.

2c. Provide a measure(s) of the program's impact.
