**Department: Social Services**

**Program Name: Emergency Shelter Domestic Violence**

**Program is found in the following core budget(s): Emergency Shelter Domestic Violence**

### 1a. What strategic priority does this program address?

Ensure Missourians secure and sustain healthy, safe, and productive lives

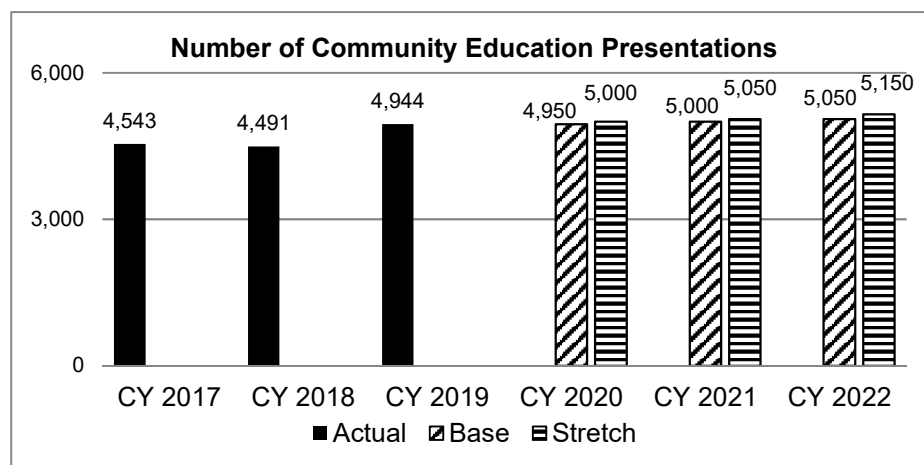

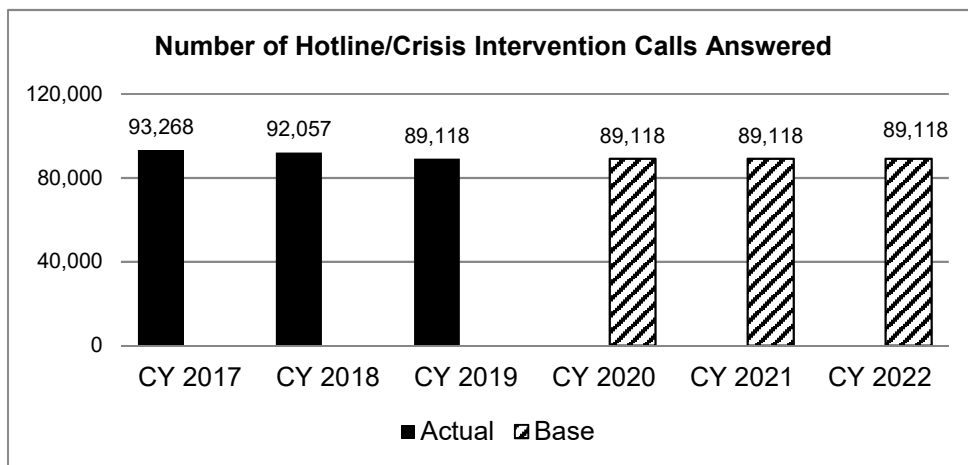

### 1b. What does this program do?

The Department of Social Services, Family Support Division allocates emergency shelter funding on a contractual basis to community-based domestic violence shelters who provide needed emergency support services to victims of domestic violence and their children who meet Temporary Assistance for Needy Families (TANF) eligibility. These families have at least one or more children in the family or the woman is pregnant and their income does not exceed 185% of the federal poverty guidelines.

Women living in poverty experience violence at higher rates than those with economic independence and employment. They experience violence by their partners at higher rates partially because they have fewer options.

Examples of emergency support services include, but are not limited to, 24-hour hotline calls, crisis intervention, case management and therapy for adults and children. The shelter must be capable of providing care (including provision of free daily meals) 24 hours a day, 7 days a week. The shelter must also assure a safe and protective environment for the victim and the victim's dependent children.

### 2a. Provide an activity measure(s) for the program.

These statistics are provided by the Missouri Coalition Against Domestic and Sexual Violence (MCADSV). The statistics are gathered from all MCADSV member programs statewide, a majority of which are also DSS contractors. CY 2020 data will be available in July 2021.
