1b. What does this program do?

The Department of Social Services (DSS) provides funding to Area Resources for Community and Human Services (ARCHS) for the Habitat for Humanity. Habitat for Humanity is a nonprofit organization dedicated to eliminating substandard housing and empowering local families to build and purchase their own home. St. Louis Community Build (Habitat for Humanity) grants families the opportunity to build and purchase their own homes at affordable prices. Habitat for Humanity St. Louis (HFHSL) launched “Habitat University” to provide area families the tools to become homebuyer ready. As an added benefit to the community HFHSL invites community members to serve as volunteers in the build process working side-by-side with the homebuyer families. Lastly, HFHSL engages young adults who have an interest in the construction industry through a pre-apprentice construction-training program to provide access to obtaining and building union careers, and to develop long-term financial stability.
