1a. What strategic priority does this program address?

Connecting Electronic Health Record Providers

1b. What does this program do?

The Health Information Technology for Economic and Clinical Health Act (HITECH) is for expenditures related to connecting eligible Medicaid providers under the Medicaid Electronic Health Record (EHR) Incentive Program to other MO HealthNet providers through a health information exchange (HIE) or other interoperable system or the costs of other activities that promote providers' use of EHR or HIE. House Bill 11 language also requires that no single vendor can be awarded an exclusive contract to provide said services.

2a. Provide an activity measure(s) for the program.

This is a new program and MHD will have updated measures once data is available. Outcome measures will include the number of eligible professionals and eligible hospitals connected through this program to a Health Information Network (HIN) and meeting stage 3 meaningful use criteria.

2b. Provide a measure(s) of the program's quality.

This is a new program and MHD will have updated measures once data is available. Outcome measures will include the number of physicians at the eligible professionals or eligible hospitals who are accessing health information through the HINs to improve the care and treatment provided to patients.

2c. Provide a measure(s) of the program's impact.

This is a new program and MHD will have updated measures once data is available. Outcome measures will include the number of users receiving care management alerts through the HINs to support case management and coordination of care.

2d. Provide a measure(s) of the program's efficiency.

This is a new program and MHD will have updated measures once data is available. Outcome measures will include the number of physicians at the eligible professionals or eligible hospitals who are accessing health information through the HINs.
