1a. What strategic priority does this program address?

Safety and wellbeing for foster youth while transitioning to economic stability

1b. What does this program do?

The Children's Division Chafee Foster Care program assists foster and former foster youth in achieving positive outcomes in their transition to independent adulthood through life skills teaching. Youth are referred by their case manager to a contracted provider. Chafee services are used to assist youth in achieving their own goals for self-sufficiency, and to ensure youth recognize and accept responsibility in preparation for and transitioning to adulthood. This appropriation also provides support for Chafee services for youth in Transitional Living Placements.

The Chafee Foster Care Independence Program (CFCIP) serves the following purposes:

- To help children who are likely to remain in foster care until 18 years of age and beyond make a successful, self-sufficient, and productive transition to adulthood
- To provide personal and emotional support to children aging out of foster care, through the promotion of interactions with dedicated adult mentors
- To provide financial, housing, counseling, employment, education, and other appropriate support services to former foster care recipients between 18 and 21 and youth who obtained adoption or legal guardianship after age 16 years of age to complement their own efforts to achieve self-sufficiency
- Assist youth who are likely to remain in foster care until age 18 years of age with regular, on-going opportunities to engage in age or developmentally-appropriate
 activities
- To assist youth who are likely to remain in foster care until 18 years of age receive the education, training, and services necessary to obtain employment
- To assist youth who are likely to remain in foster care until 18 years of age prepare for and enter post-secondary training and education institutions

Chafee funds are also utilized to continue supporting Missouri's Aftercare program for youth who have exited state custody at age 18 or older but have not yet reached age 23. Additionally, funds are used for the administration and facilitation of foster youth advisory boards.

Many services are available through the Chafee Foster Care Program. Contractors provide services to all foster youth, ages 14 through 23, who are referred to the program. Services focus on academic achievement, job readiness, community services and support, youth leadership, and independent living skills. Contractors assess the needs of each individual youth and provide necessary life skills training, or assist the youth in obtaining appropriate resources.
