

Single Feasible Source Purchase

Title: Bioterrorism Hospital Preparedness

Description: Enhance the ability of hospitals and supporting health care systems to prepare for and respond to bioterrorism and other public health emergencies through formal agreements and disbursement of funds between and to hospitals in Region C including the St. Louis Metropolitan Area.

East-West Gateway Council of Government is considered a single feasible source because they were designated by the Department of Health and Senior Services in the budget justification of the 2018 Bioterrorism Hospital Preparedness Program Grant Application to provide services. In addition, the Notice of Grant Award from the federal government, Health and Human Services, approved the application identifying East-West Gateway Council on Governments as the provider of services.
