

## Single Feasible Source Purchase

Title: Gen-Probe Assays and Reagents

Description: The State of Missouri Department of Health and Senior Services desires to purchase associated kits and reagents for the TIGRIS DTS System and PANTHER DX System. The TIGRIS DTS system and PANTHER DX system are currently in use by the State Public Health Laboratory for the detection of Chlamydia trachomatic, Neisseria gonorrhoeae and tuberculosis complex ribonucleic acid (RNA). A single feasible source contract with Gen-Probe, Inc. is requested since they are the sole provider for the patented TIGRIS DTS System, PANTHER DX System and the associated kits and reagents used for testing.

Contract Period: March 8, 2017 through March 7, 2018
