

## Single Feasible Source Purchase

**Title:** Kids Care Center Software Maintenance and Support

**Description:** The Missouri Department of Elementary and Secondary Education (DESE) has requested that a new Single Feasible Source (SFS) contract be established with Dynamic Enterprise Solutions, Inc. (DES) for ongoing subscription licensing, maintenance, technical support, consulting/customization services, and hosting services for DESE's existing Kids Care Center System. Such services are proprietary to and only available from Dynamic Enterprise Solutions, Inc., the Kids Care Center System provider. As a result, this represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044 and the State will be pursuing acquisition of the support services as a Single Feasible Source.
