Missouri Land Survey Program

1a. What strategic priority does this program address?

Empower more surveyors, engineers, real estate professionals, GIS professionals, and the general public.

1b. What does this program do?

- Develops and provides information for the accurate and economical location of property boundaries for land survey professionals and property owners.
- Receives and processes land survey documents from all Missouri counties and surveyors into a record management system for preservation and accessibility for professionals and the general public.
- Restores and maintains the United States Public Land Survey System (USPLSS). These corners serve as the framework from which all surveyors and property owners must rely on for the determination of all land boundaries since the early 1800s.
- Contracts with county and private surveyors to restore USPLSS corners and to perform county and state boundary surveys.

2a. Provide an activity measure for the program.

Note 1: The number of orders received is affected by housing market trends.

Missouri Land Survey Program

Note 1: Survey documents include documents received from county recorders, land surveyors, private individuals, and other state agencies. These documents are scanned and indexed into a centralized repository for preservation and convenient retrieval.

Note 2: In the event where county maintained documents have been destroyed by water, fire and contamination, the Land Survey Repository can restore these records, providing security and avoiding economic loss to the citizens of those counties and the state.

Note 1: Certified Land Corner Documents are filed to perpetuate the corners of the United States Public Land Survey System.

Note 2: Documents are received from staff surveyors, other state and federal agency surveyors, private surveyors, and from contracting with county and private surveyors.

Weights, Measures & Consumer Protection

Missouri Land Survey Program

Note 1: In FY17 the County Surveyor COOP Program & Private Surveyor COOP Program were not offered. Both programs were updated and several regional training sessions were performed throughout the state.

2b. Provide a measure of the program's quality.

Note 1: The customer satisfaction survey requests a rating on the professionalism and responsiveness of the staff and the overall quality of the program.

Note 2: The rating depicted for FY20 is based on 18 surveys submitted. The number of surveys are down this year due to the COVID-19 Pandemic and not attending the typical meetings where we distribute and collect the surveys.
