Open to all interested IT candidates. If you are seeking internships or full-time employment in the technology sector, particularly in the web, design and development fields, please join us for our **IT Careers Meet n' Greet**. You will be exposed to State of Missouri IT developers, administration, managers, and human resource officials. This informal event will allow you to meet and introduce yourself, learn more about the State of Missouri as an employer and potential careers in its Information Technology Services Division (ITSD), and learn how you can officially apply for current or upcoming job opportunities. We hope to meet you soon!

When: April 16, 2014, 2:00—4:00 pm

Where: Room 500, Harry S. Truman Building
Jefferson City, Missouri 65101

(metered parking available in visitor's parking lot,
west side of building)

Bring: Copies of your resume, and portfolio if available

Dress: Business casual
