

PROGRAM DESCRIPTION

Department of Transportation

HB Section(s): 4.550

Program Name: ARPA Federal Aviation Assistance

Program is found in the following core budget(s): ARPA Federal Aviation Assistance

1a. What strategic priority does this program address?

Safety - moving Missourians safely

Service - providing outstanding customer service, delivering efficient and innovative transportation projects and operating a reliable transportation system

1b. What does this program do?

The FAA established ARPA allocations by airport. This appropriation will allow 64 airports that receive their federal aviation funding through the SBGP to expend their respective ARPA allocations. ARPA allocations are based on airport categories outlined in the FAA 2021-2025 National Plan of Integrated Airport Systems report. Appendix C outlines the airport categories utilized by the FAA to distribute ARPA funding. This program is authorized in Section 7102 of the American Rescue Plan Act of 2021. Section 305.237 RSMo authorizes MoDOT to accept and receive federal funds on behalf of airports in the state.

2a. Provide an activity measure(s) for the program.

The 2023 and 2024 projections for airports eligible to receive funding are based on all 68 airports that could receive federal AIP funding through the State Block Grant Program. Of the 68 airports, only 64 will receive ARPA funding. The 2023 and 2024 projections for airports receiving funding were calculated by averaging the last five years of airports receiving funding.

2b. Provide a measure(s) of the program's quality.

All projects using federal or state aviation funds are reviewed by MoDOT prior to bid advertisement. Grant funding for the project is provided after the bid award. The 2023 and 2024 projections are based on the average of actuals for the last three years.

2c. Provide a measure(s) of the program's impact.

Business-capable airport runways are runways that are at least 5,000 feet long. The 2023 and 2024 projections were set by the department and are considered the ideal percent of pavement in good condition.

2d. Provide a measure(s) of the program's efficiency.

Aviation projects are programmed or budgeted in the department's Statewide Transportation Improvement Program (STIP). Once a project is awarded and work begins, final project costs can change from the original programmed cost in the STIP. Aviation project cost changes are usually caused by final quantity adjustments, federal inspections, subgrade issues or other additional construction phase service costs. The 2023 and 2024 projections are based on the average of actuals for the last three years.

3. Provide actual expenditures for the prior three fiscal years and planned expenditures for the current fiscal year. (Note: Amounts do not include fringe benefit costs.)
