2c. Provide a measure(s) of the program's impact.

The State Mission: is to provide trained and disciplined forces for domestic emergencies or as otherwise required by state law under the authority of the governor. Our role has expanded since 9/11, with Guard members continually serving around the world and around our country helping during floods, tornadoes, civil disturbances, winter storms, hurricane responses, and most recently, the COVID-19 pandemic; that stateside mission is still a major part of what we do.

The Federal Mission: is to maintain properly trained and equipped units for prompt mobilization for war, national emergency, or as otherwise directed by the president. Missouri National Guard members must always be ready for any mission from the president, including peacekeeping missions and overseas contingency operations.

5. What is the authorization for this program, i.e., federal or state statute, etc.? (Include the federal program number, if applicable.)

The Office of the Adjutant General and the Missouri National Guard are organized under the State Constitution in accordance with directives promulgated by the federal military department, pursuant to RSMo 41.010. Section 46 of Article III of the Missouri Constitution established the responsibility of the legislature to maintain an adequate militia. National Guard Regulation (NGR) 420-10 defines the responsibilities, organization, functions, and personnel for State Construction and Facilities Management Offices. The regulation includes guidance for establishing facility maintenance and repair standards and policies for planning and executing facilities projects. The relationship between the National Guard Bureau (NGB) and the State Military Department is governed by the fact that all Army National Guard (ARNG) facilities are owned by, leased for, or licensed to the States. As a result the States, and not the Federal government, operate and maintain all ARNG facilities.

6. Are there federal matching requirements? If yes, please explain.

No federal matching requirements

7. Is this a federally mandated program? If yes, please explain.

NGR 420-10 defines the basis of operation for all ARNG real estate. States agree to maintain facilities to "required minimum standards" under the Master Cooperative Agreement.
