

Single Feasible Source Purchase

Title:	Ongoing Maintenance & Support for Regional Economic Models, Inc. Software
Description:	<p>The Missouri Department of Economic Development has an ongoing need for maintenance and support for their existing Regional Economic Models, Inc. (REMI) software products that have been previously maintained and supported under contract C211089001. The software is owned by and is proprietary to Regional Economic Models, Inc.</p> <p>The State intends to acquire the above-mentioned services via a single feasible source procurement through REMI, the manufacturer / owner of the software, since there are no other sources available to meet the specific needs of the state.</p>
