

Single Feasible Source Purchase

Title:	Performance Management Module for Learnsoft LMS
Description:	<p>The Missouri Department of Transportation has a need for a performance management module for their existing Learnsoft Learning Management System (LMS). Learnsoft does not have distributors or resellers that are authorized to provide access to the module.</p> <p>As Learnsoft is the only provider of the module requested by MoDOT, this represents a proprietary requirement that meets the criteria of a single feasible source under RSMo 34.044. As a result, the State is pursuing this acquisition as a Single Feasible Source.</p>
